Getting Started Lab

The screenshot shows the Wireshark interface with a packet capture of an HTTP GET request. The packet list at the top shows packet 40 as the selected packet, which is an HTTP GET request to /wireshark-labs/INTRO-wireshark-file1.html. The packet details pane shows the Hypertext Transfer Protocol section expanded, displaying the request line and various headers. The packet bytes pane shows the raw data of the request.

4.

The screenshot shows the Wireshark interface with a packet capture of an HTTP GET request. The packet list at the top shows packet 46 as the selected packet, which is an HTTP GET request to /dial/dd.xml. The packet details pane shows the Hypertext Transfer Protocol section expanded, displaying the request line and various headers. The packet bytes pane shows the raw data of the request.
